Everything International Students need to know about working in the UK

[www.prospects.ac.uk/links/intlstudents](http://www.prospects.ac.uk/links/intlstudents):

This site gives you a step by step guide for International Students wishing to study in the UK. It covers:

» **Why study in the UK?**

» **Understanding the UK higher education system** - How it all works

» **How to find a course** - How to get the most out of British education exhibitions, your local British Council office and the UK's official postgraduate database at [www.prospects.ac.uk](http://www.prospects.ac.uk).

» **How to apply** - At postgraduate level there is no central admissions service and applications must be made to individual institutions. This section explains how.

» **How much does it cost?** - Tuition fees and costs of living explained.

» **How do you pay for it?** - Some students cover their costs entirely from their own resources. Others receive a scholarship. This section points you in the direction of key funding sources.

» **How do you get into the UK?** - The latest information on visas and immigration.

» **Adapting to life in the UK** - All you need to know about student welfare and finding the right pace to live.

» **Doing your course** - What can you expect your course to be like and what sort of academic support will you get from your university?

**Work and study opportunities for international students already in the UK**

» **Working in the UK after completing your studies**

» **The graduate recruitment scene in the UK**

» **Working outside the UK after completing your studies**

» **Further study**

» **Remaining in the UK after your studies**

» **Planning your future after the UK**
